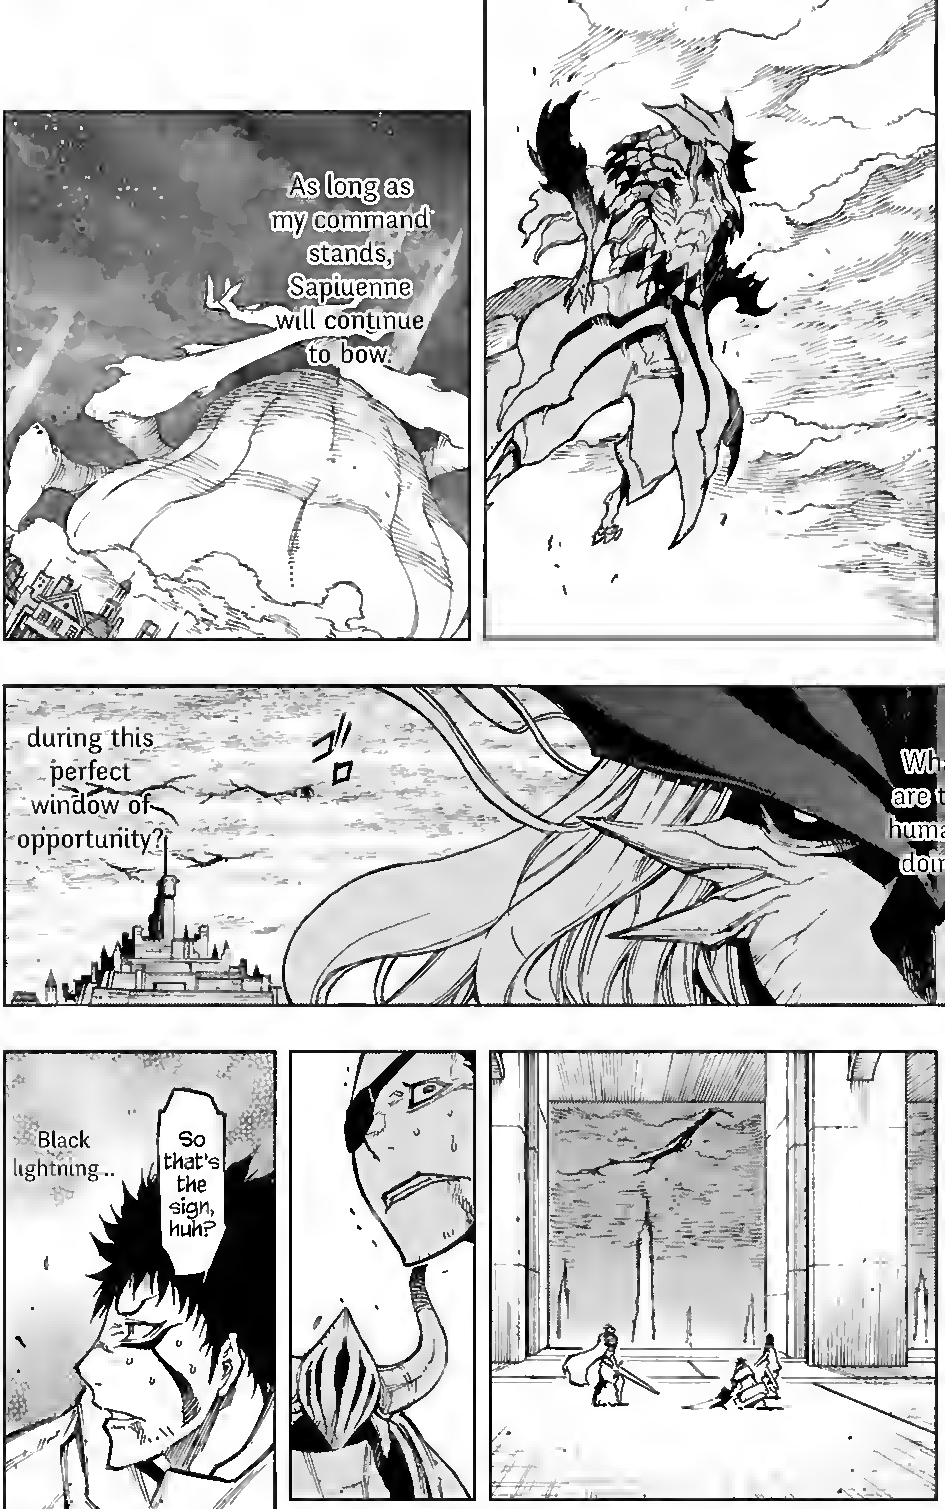
I could've sworn that was all they had...
What is the meaning of this...
These Shallow Demons were hiding somewhere.
And even the Demon King...
Even though that Deep Demon's begun to disintegrate, he's humbling himself...

Even the Demon King's humbling himself. Who the hell is that guy!?
ゴゴゴ
ゴゴゴ



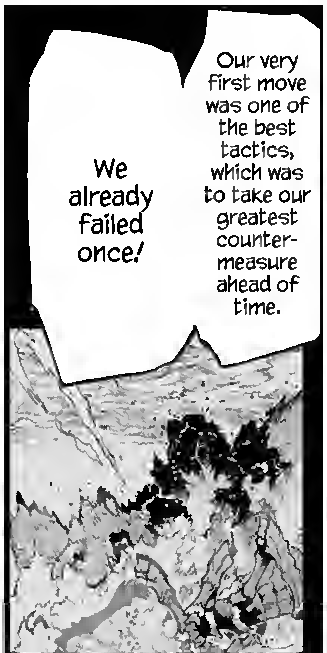
As long as my command stands, Sapiuenne will continue to bow.
during this perfect window of opportunity?
What are the humans doing
Black lightning..
So that's the sign, huh?

Our... comrade's fighting!
Just what in the world is going on...!!?
The Demon King's bowing down!?

As long as we have Adu, we'll probably be able to beat it with simple cannon fire!
Fire your cannon now!!

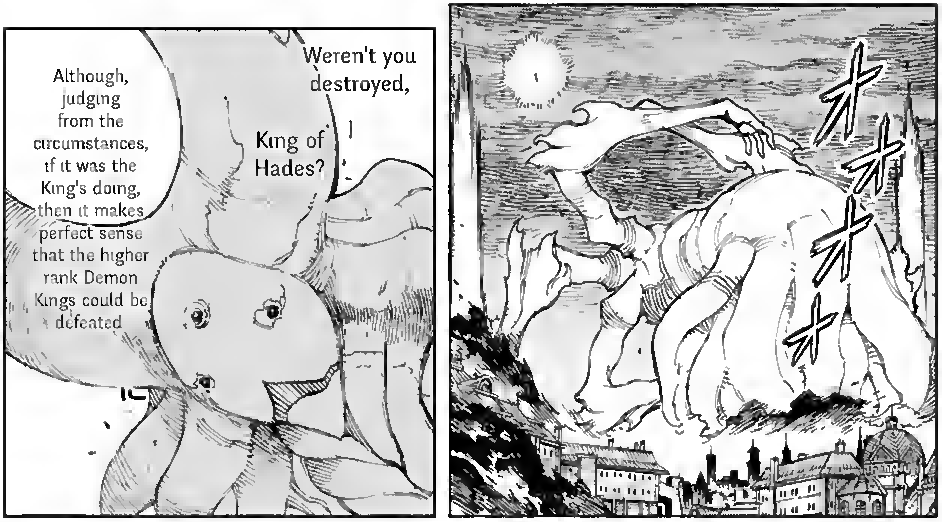
We don't get the situation either, but he seems to be an ally of ours.
That demon earlier?

We can't afford to fail twice!!!

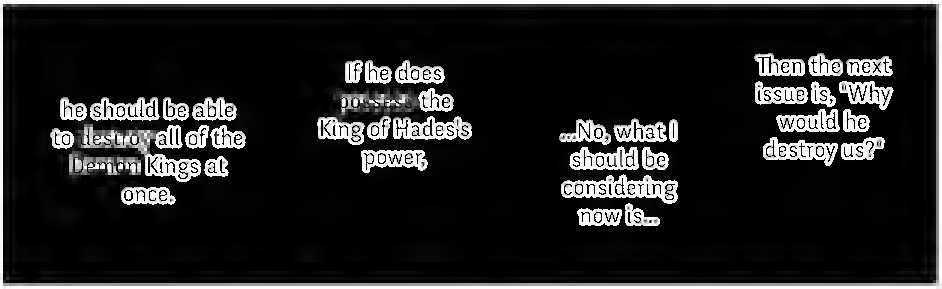


We already failed once!
Our very first move was one of the best tactics, which was to take our greatest counter-measure ahead of time.

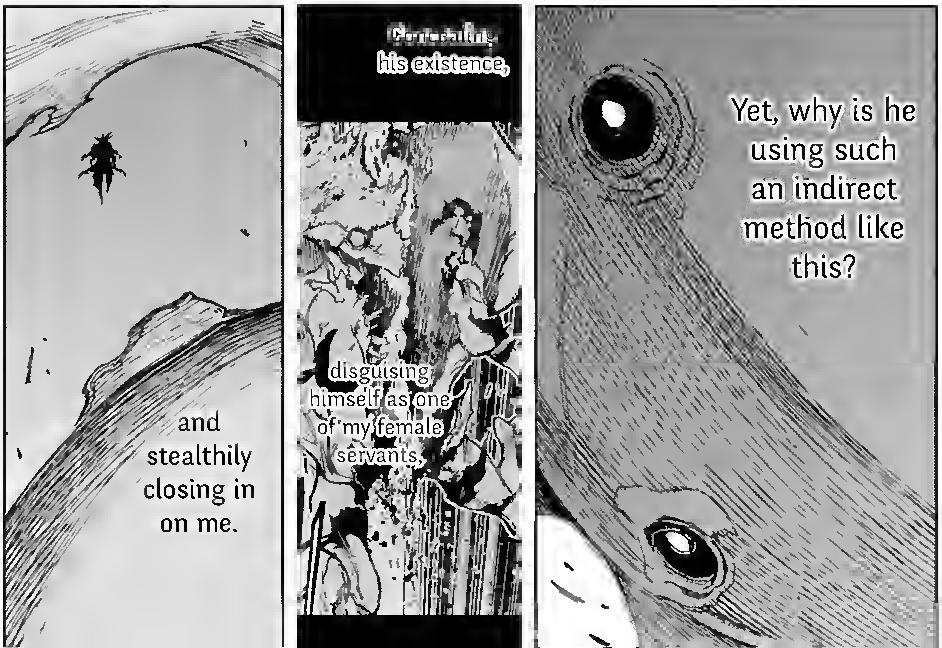
Are you fools !!!?
"Probably"?



Although, judging from the circumstances, if it was the King's doing, then it makes perfect sense that the higher rank Demon Kings could be defeated
Weren't you destroyed, King of Hades?
オオオオ



he should be able to destroy all of the Demon Kings at once.
If he does possess the King of Hades's power,
...No, what I should be considering now is...
Then the next issue is, "Why would he destroy us?"



and stealthily closing in on me.
Concealing his existence,
disguising himself as one of my female servants.
Yet, why is he using such an indirect method like this?

I can't miss this opportunity.
At this moment,
I should be able to eliminate you.

HA HA HA HA HA
So you are weak now!!!
Far weaker than me!!!!
A barrier, hm?
With all due respect,
it appears you have weakened.

So I can't break it, huh?
In that case, I need to move faster than he can fortify himself using a barrier...
I should be fine as long as I can get inside.
ゴキッ
ゴキッ

I thought he was using a barrier, but...
How obscure.

What's the matter, King of Hades?
I guess he was actually
manipulating the air itself.

Looks like this is the end for me.
Hm.
There's nothing in particular I have to think about anymore.

I guess I won't be able to become like the humans who gave me this name.

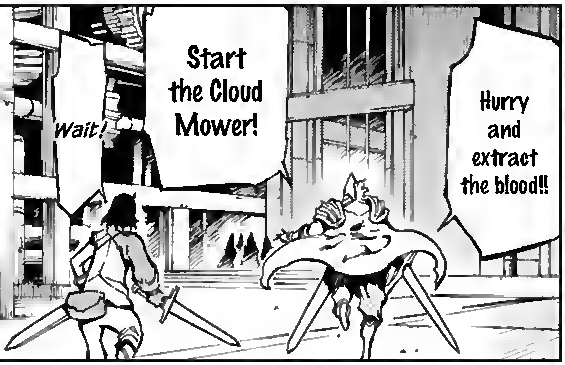
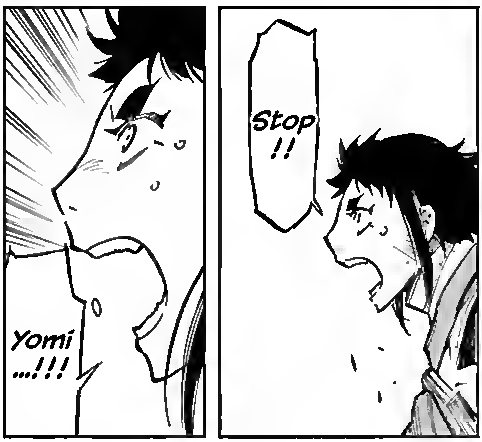
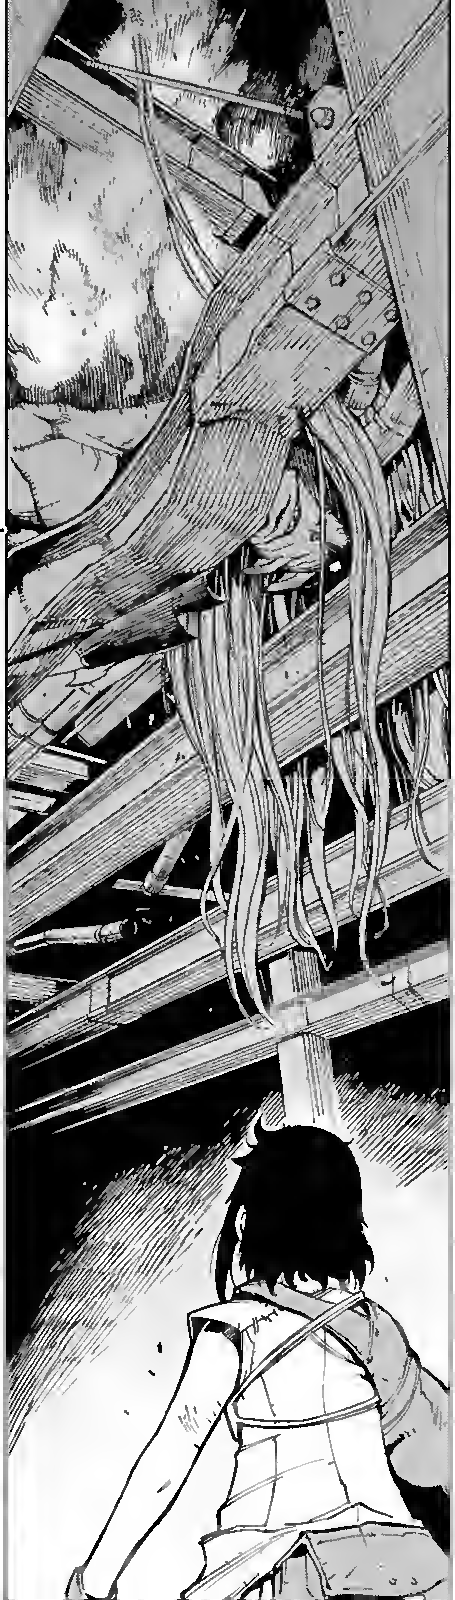
HOW
REPUL-SIVE!!



Start the Cloud Mower!
Wait!
Hurry and extract the blood!!



Stop !!
Yomi ...!!!



Hide.
Don't move.
Don't you get it!? You're gonna die!!
You hear me!?
I need to defeat the Demon King.
Do you seriously think I can let you go after hearing that!!?
Over here.
Yomi-sama.
Hurry.
That's why you told me to hide.
You don't actually want to do it, do you?
Your blood will turn murky otherwise.
Please be at ease.
Yomi-sama.
There isn't going to be any beautiful clothes or an extravagant house, but...
Let's run for it! I'll take you away!

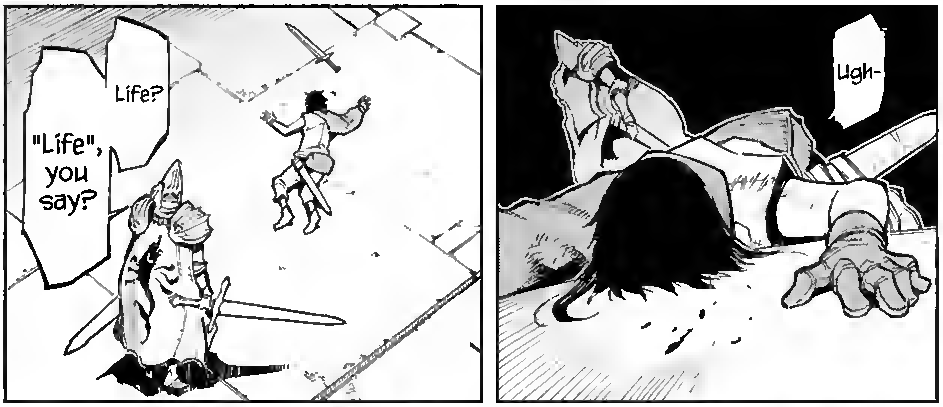
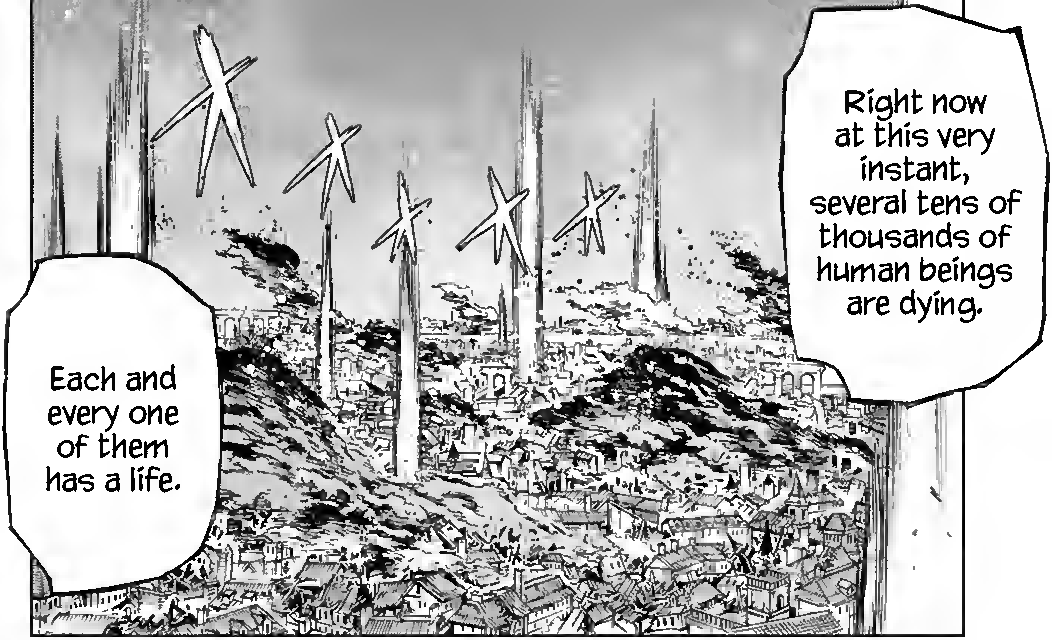
Life is-
You only have one life!!
Yomi ...!!!

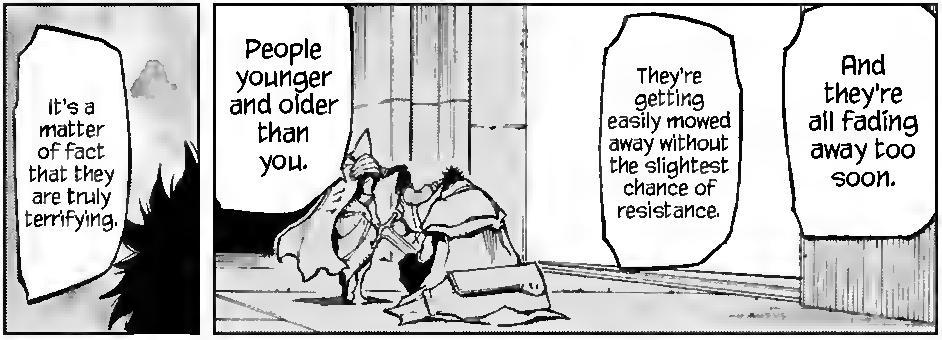


Life?
"Life", you say?
Ugh-

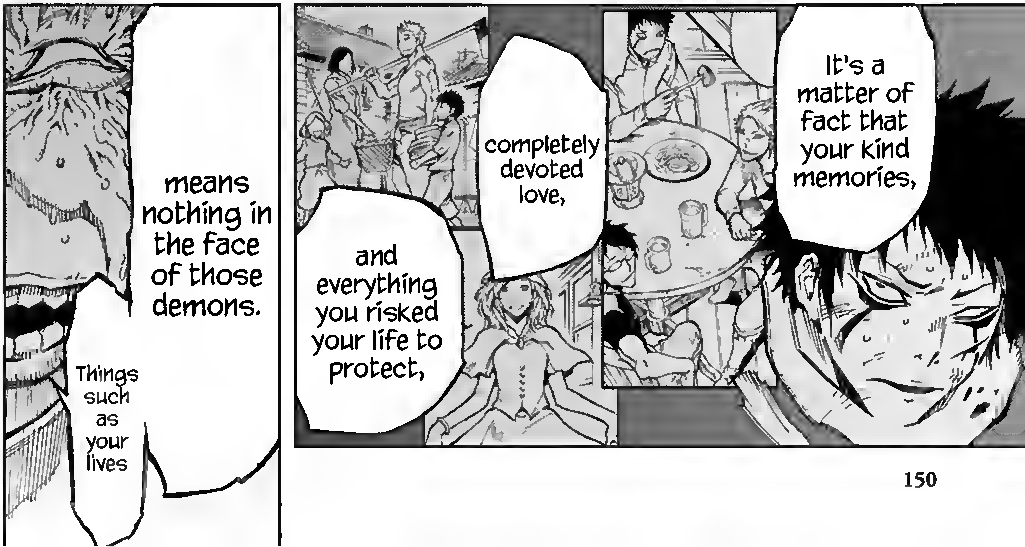
Open those two eyes of yours and take a clear look!!
Oww-



Right now at this very instant, several tens of thousands of human beings are dying.
Each and every one of them has a life.

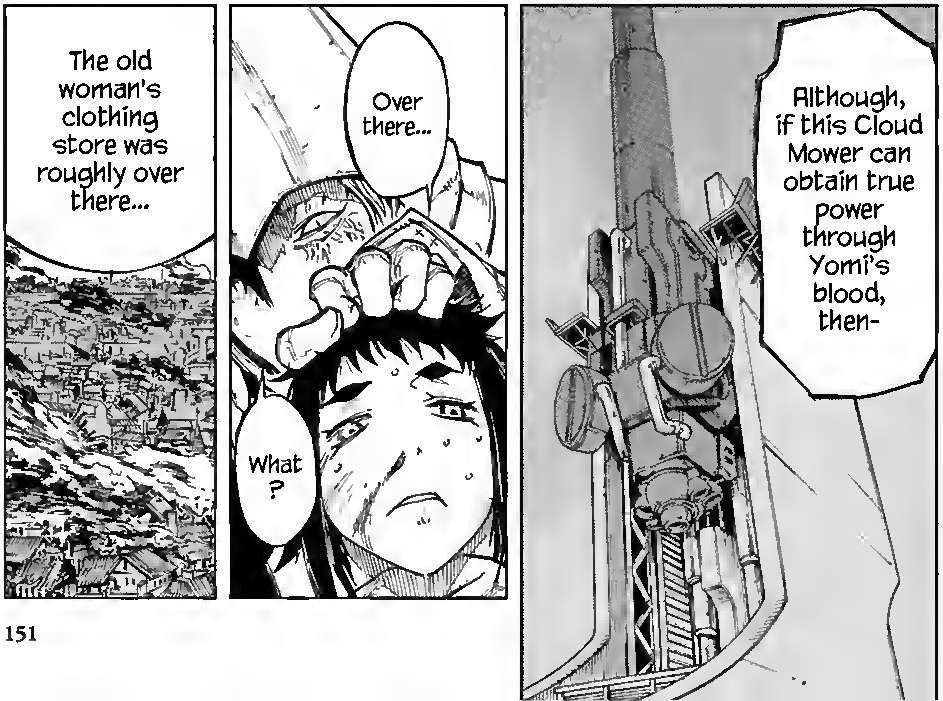


It's a matter of fact that they are truly terrifying.
People younger and older than you.
They're getting easily mowed away without the slightest chance of resistance.
And they're all fading away too soon.



means nothing in the face of those demons.
Things such as your lives
completely devoted love,
and everything you risked your life to protect,
It's a matter of fact that your kind memories,

It seems you understand now.
are all totally meaning-less!!
Uhe hehe-



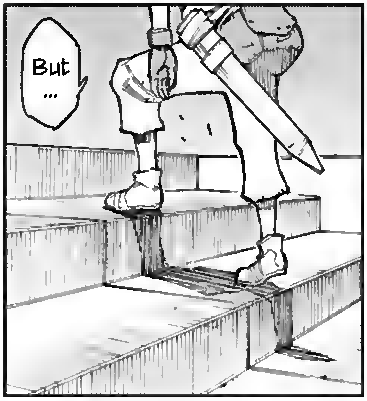
The old woman's clothing store was roughly over there...
Over there...
What?
Although, if this Cloud Mower can obtain true power through Yomi's blood, then-

But somehow, it looks like you've also understood what we should be doing... and you know the right thing to do.
Your screams are meaning-less too.

I don't want this!!
At all!!!

... Fine.

Well then, let us all extract blood!



But ...

I'll... cooperate...

I have your blood flowing within me too, don't !!?
Use my blood !!!
I stopped staving off other people's bread today.
!?
Hell, do you even think you're as worthwhile as a pile of shit!?
I don't need your blood!!
I spent many years on Yomi!
You're just a bastard child!!!
Ha

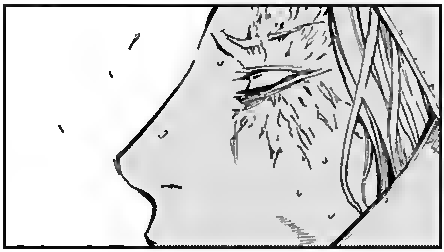
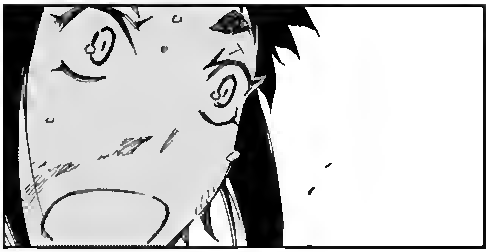
!!!

Attack the castle and convert the furthest ends of the west into pure darkness!!!
Mual Quadro !!
Present!
Let us continue our advance!
HA HA HA HA HA HA HA
There is no longer anyone who can intimidate me!!
I am the true Demon King!!

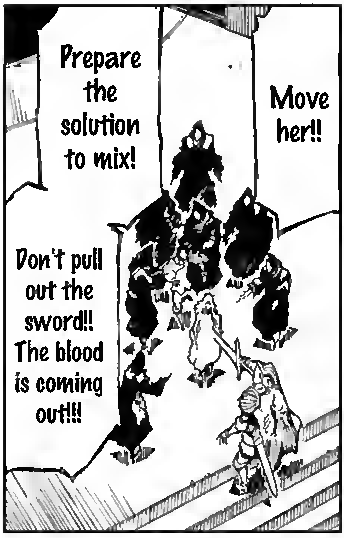




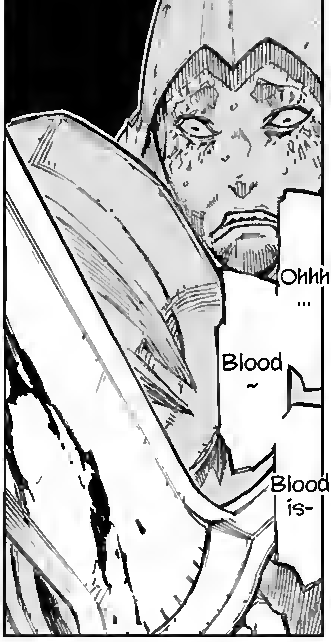
That day...
I made this decision of my own volition.

Don't get me wrong

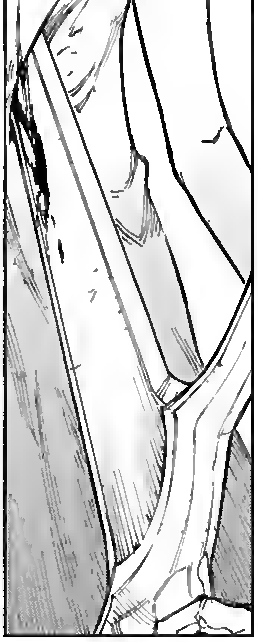
I went with my father onto the terrace on a warm day where there wasn't a single cloud.
The wind blew gently,
and just for a moment,
I saw a graceful face...
Father,
hopefully the skies will be clear tomorrow as well.
Hey ...!?



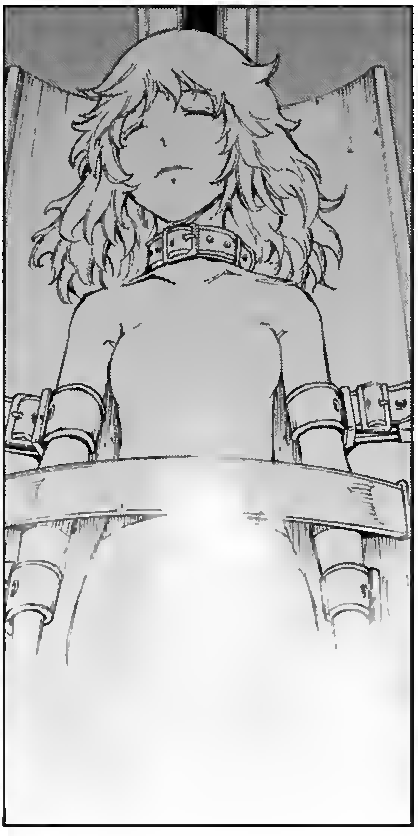
Prepare the solution to mix!
Move her!!
Don't pull out the sword!! The blood is coming out!!!

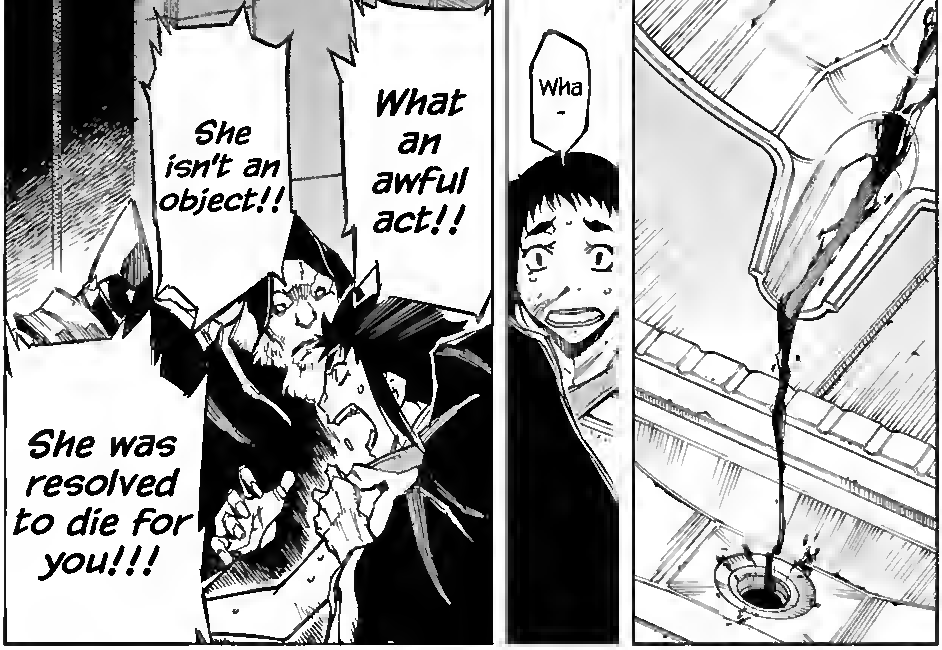


Ohhh ...
Blood ~
Blood is-



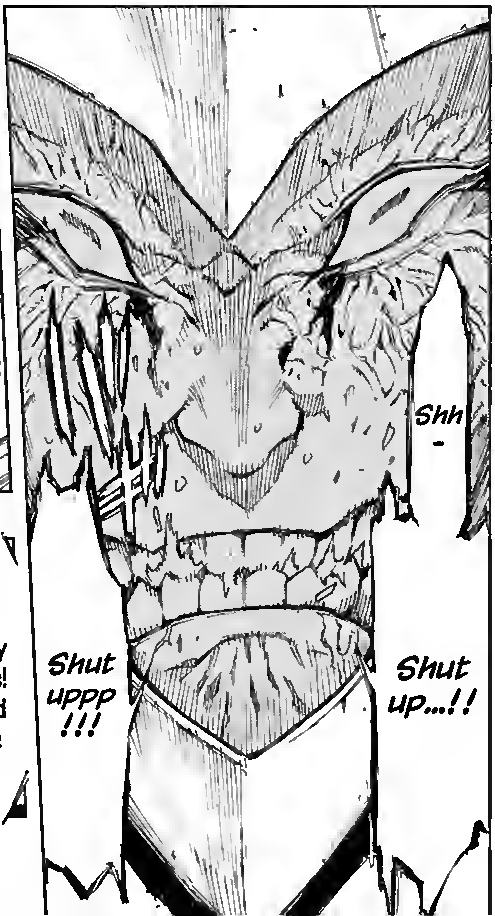
オオオ



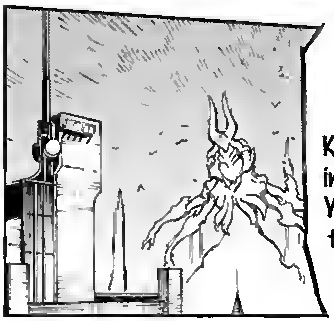


What an awful act!!
She isn't an object!!
She was resolved to die for you!!!
Wha -

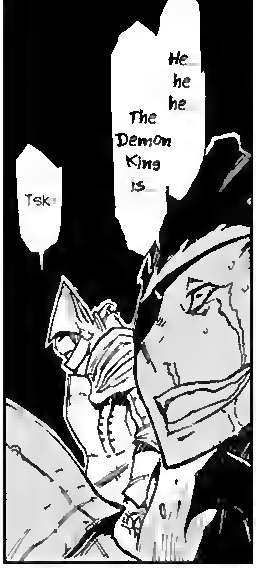
then why ...
If you're making such a face,

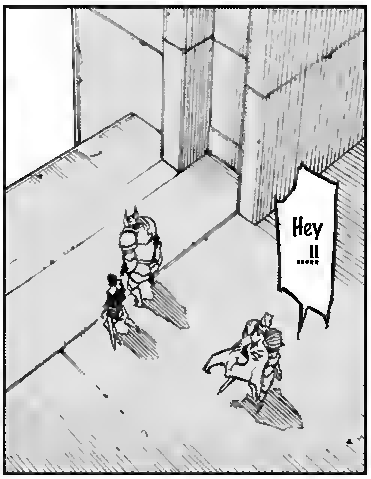


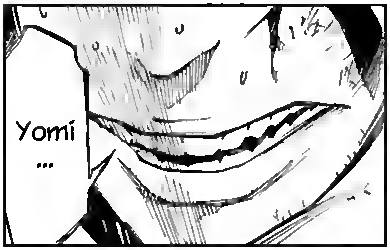
Shh -
Shut uppp !!!
Shut up...!!

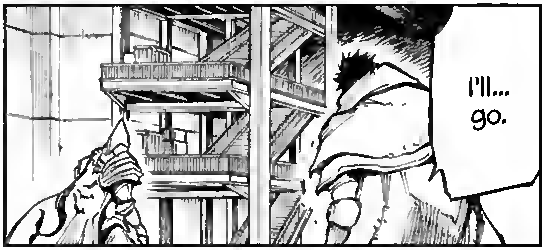


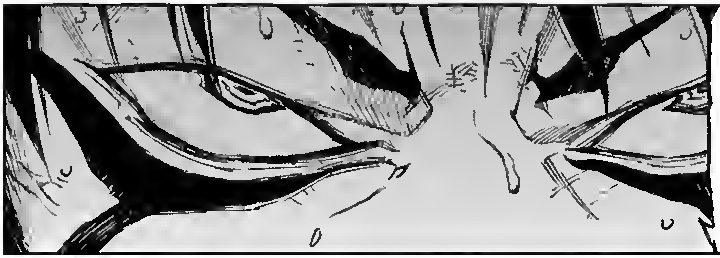
Start it up! The Demon King's directly in front of us! You only need to adjust the angle!







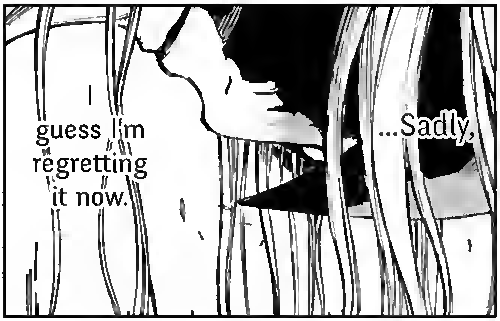




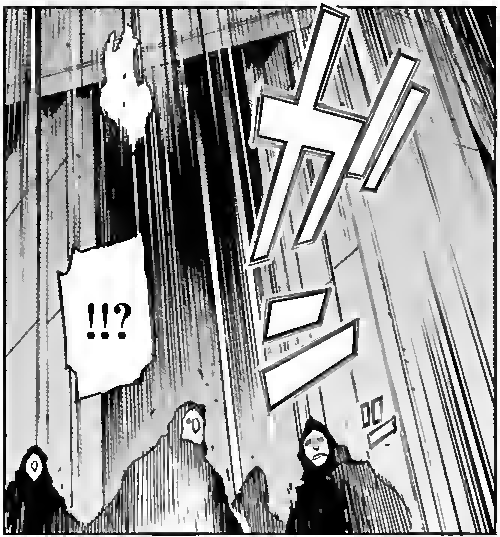
Now I can't think of anything else besides defeating the Demon King for the sake of the girl!!

is there nobody that fights for their own sake?

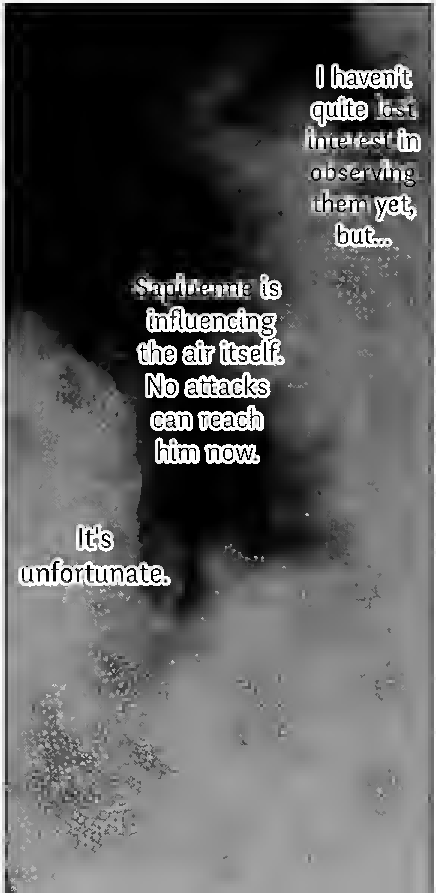
Amongst the humans
What have I been doing up until now...



I guess I'm regretting it now.
...Sadly,

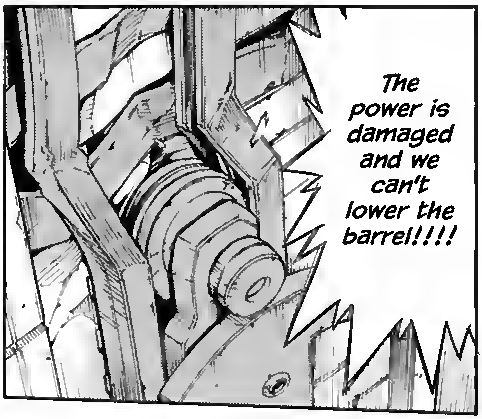


!!?



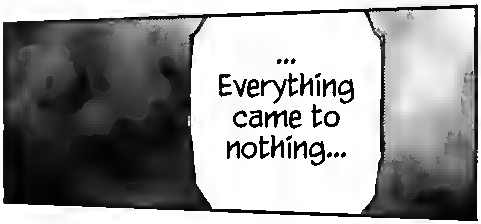
I haven't quite lost interest in observing them yet, but...
Sapphenia is influencing the air itself. No attacks can reach him now.
It's unfortunate.

I'm getting a report from upstairs!!
What's going on now!?

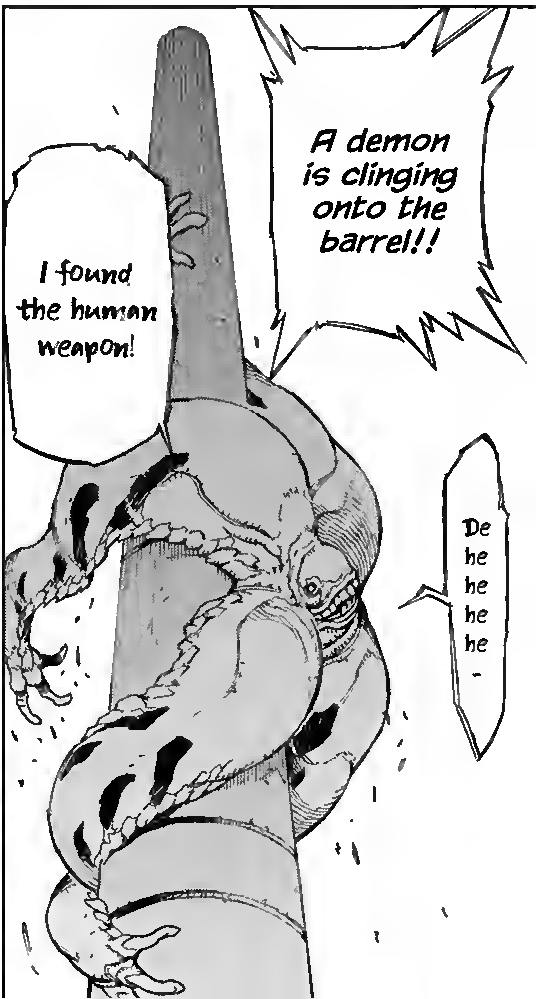


The power is damaged and we can't lower the barrel!!!!

This is the end...



... Everything came to nothing...



A demon is clinging onto the barrel!!
I found the human weapon!
De he he he he -
